## **Thank you for submitting your abstract!**

We are glad to have received numerous abstract submissions which will contribute to the scientific programme. Abstracts are under revision at the moment. Thus, you will be notified by the end of January about the acceptance of your abstract!

## **The Scientific Programme tailored to your needs!**

Besides Scientific Sessions, the programme will also feature Satellite Symposia and new session formats such as How I do It sessions and Curtain Up Sessions. To get a first impression of what ECTES 2012 in Basel has to offer, [please click here!](#)

## **Consult your pillow!**

We have secured hotel rooms in 5\*, 4\*, 3\* and 2\* hotels at competitive rates. Please note that May is absolute peak season in Basel and therefore early hotel booking is highly recommended! For information on hotel rates, [please click here!](#) Accommodation can be booked together with the [conference registration.](#)

## **Basel – The place to be!**

Basel is a place to be experienced. The city lies in the centre of the border triangle of France, Germany and Switzerland and is located on the banks of the Rhine. Basel is the leading fair and congress city in Switzerland and has much to offer for both, business and pleasure tourists.

Sincerely,

The congress presidents Dominik Heim and Reto Babst  
and the ECTES 2012 Organizing Team
